WHAT TO BRING
• All correspondence from Georgia Tech.
• Unofficial transcripts and course syllabi/descriptions from other colleges or universities you have attended (to assist in advisement and clarify questions related to transfer credit).
• Copy of all Medical Entrance Forms.
• Casual clothes, including sweater or light jacket, as activities will take place both outdoors and within air-conditioned rooms.
• Comfortable walking shoes — you will be walking around campus.
• Umbrella.

STUDENT HOUSING
Students who will live on campus summer semester can check into their residence hall starting at 8 a.m. Wednesday, May 6, 2015. If you have additional questions regarding move-in, visit www.housing.gatech.edu or call 404.894.2470. If you are not going to live on campus but need accommodations for the evening prior to or following Transfer FASET, visit www.nssp.gatech.edu for local hotels.

FINAL TRANSCRIPTS
By the time you arrive at Transfer FASET, you must have submitted all final transcripts for all prior coursework to the Office of Undergraduate Admission. For contact information, visit www.admission.gatech.edu. You should bring your unofficial transcripts with you, including any current coursework and official AP scores.

STUDENTS/GUESTS WITH DISABILITIES
Please indicate on your FASET reservation form whether you or anyone in your party has needs relating to a disability and we will connect you with our Office of Disability Services.

INTERNATIONAL STUDENTS
International students attending Georgia Tech must provide the following documents to the Office of International Education (OIE) during orientation prior to course registration: a valid passport, I-94 form (you will receive this form on the plane prior to landing in the United States), and an I-20 or DS-2019 form (with proof of health insurance). If you are transferring from another U.S. institution to Georgia Tech, you will receive an email with instructions from OIE regarding the transfer of your I-20 or DS-2019 form.

MEDICAL RECORDS
All students entering Georgia Tech are required to submit their immunization information to satisfy the Board of Regents immunization requirements. It is highly recommended that the requirements be completed with your family physician or at Georgia Tech’s Stamps Health Services prior to starting classes. All immunization requirements and related forms may be found at www.health.gatech.edu by clicking on Immunization Requirements. Please read the information carefully and submit forms by downloading and entering information according to instructions. If you need assistance, email immunizations@health.gatech.edu or call 404.894.1432.

PARENTS/GUESTS
Attending FASet is a great way for parents, guardians, and other guests to learn ways to support their student through his or her Tech experience. To address concerns or questions they may have, parents and guests will have opportunities to talk with current students, faculty, staff, and other parents. They will also learn about the resources, services, and opportunities available to them as well as their student. The cost is $65 per person for the one-day parent and guest program.

FAMILIES: STAY CONNECTED!
To stay connected with Georgia Tech, access the Stay Connected website at www.parents.gatech.edu and update your contact information today. The information you provide will supplement your student’s emergency contact information and ensure that you receive timely information from the Parents Program about important campus news, on- and off-campus events, volunteer opportunities, and more.

CANCELLATION POLICY
All cancellations must be made in writing at least 10 business days in advance of your session for a refund of the registration fee, less a $25 administration fee. To request a refund, email faset@vpss.gatech.edu.

DIRECTIONS AND PARKING INFORMATION
Find directions and parking information at www.faset.gatech.edu. On-campus FASET parking will be available only in the Student Center Parking Deck. Once you park, you should not need to move your car again since you will check in at the Student Center Commons.
